

WageWorks® Healthcare Flexible Spending Account

A WageWorks Healthcare Flexible Savings Account (FSA) is a great way to save money while keeping you and your family healthy. With an FSA, you can use tax-free funds to pay for out-of-pocket medical, dental, and vision care expenses. You simply decide how much to contribute to your FSA for the year, and contributions are made each pay period. With a variety of convenient payment and reimbursement options, accessing and using funds in your FSA is fast and easy.

Easy to Use, Easy to Save: Using your WageWorks Healthcare FSA is as easy as 1,2,3.

1. **ESTIMATE** how much you plan to spend on out-of-pocket medical, dental, and vision expenses for the year. Contribute up to \$2,500* of pre-tax pay to your FSA.

2. **PAY** for eligible medical, dental, and vision services using the WageWorks Healthcare Card, which works just like a debit card. Choose from several no-hassle reimbursement options:

- Use the WageWorks EZ Receipts® mobile app on your smartphone to take a photo of receipts, instantly submit receipts for payment, or check claim status or FSA balances
- Access your FSA on line and fill out a simple form to pay your provider
- Arrange for FSA funds to be transferred to your checking account or a check to be mailed to reimburse you for expenses you've already paid

3. **REDUCE** your tax burden. Depending on your annual income and expenses, you could increase your take-home pay by an average of \$750 per year.
