# The Application Process

- Step 1- Register with DAAD RISE:

Register online and begin searching for internships starting December 6, 2014

- Step 2- Gather your application documents

To order a free copy of your transcript, contact [studyabroad@iit.edu](mailto:studyabroad@iit.edu) after December 20th. For assistance with resumes and cover letters, visit the CMC [www.cmc.iit.edu](http://www.cmc.iit.edu).

- Step 3- Apply to DAAD RISE:

You may apply for up to 3 internships.

**The application deadline for RISE is January 15, 2015.**

**The application deadline for RISE Professional is January 31, 2015.**

- You will be notified of your status in March 2015.

# Application Documents

- Your completed application form
- Full curriculum vitae/résumé
- Up-to-date official university/college transcript(s)
  - Request from [studyabroad@iit.edu](mailto:studyabroad@iit.edu) after December 20th to receive this at no charge
- A list of courses you will have completed by the time the internship begins
- A letter of reference from an IIT faculty member in your field of study
- A cover letter in which you state your motivation to apply for the particular project(s)
- Proof of enrollment

# Application Tips

- Start early!
- Express why a stay in Germany is critical for your academic or professional goals.
- Clearly explain why you chose the location, program or project you did.
- Submit quality letters of recommendations.
- Get help from the Career Management Center and International Center
- Make sure your application is on time, thorough and complete.
