

Shuttlebus Schedule Changes Effective Monday, February 16th

The university has identified an immediate need to support safe transportation of students between Main Campus and the surrounding neighborhood residence area serving as overflow to on campus housing. This effort will be supported through a combination of a late evening escort service facilitated by Public Safety and an expansion of the Main-Downtown Campus shuttle route for select runs. Details regarding the revised Public Safety escort program are forthcoming. The revised shuttle schedule below will take effect beginning Monday, February 16th. The stops listed in red are new or have timing changes.
