

Spring 2016 e-waste collection

Work Order Week

3/28 - 4/1

IIT employees can submit FAMIS work orders (move requests) to have electronic waste picked up by Facilities. As always, e-waste pick-ups are free of charge. Work orders placed between 3/28 - 4/1 will be picked up between 4/4 and 4/8.

Electronic waste includes:

Laptops, computers, tablets, TVs, cell phones, printers, monitors, DVD players, video game consoles, scanners, computer mice, keyboards, cameras, and more!

It is the responsibility of the parties dropping off electronics to ensure that they have removed and wiped clean all personal information from the devices. IIT will not be undertaking such efforts and assumes no liability for the disclosure of any personal information left on devices that are dropped off.
