

TO: Principal Investigators
FROM: Interim Controller
DATE: March 28, 2016
SUBJECT: Fiscal Year-End Closing 2015/16

In preparation for the end of fiscal year 2016, Principal Investigators should review their grant status, including payroll expenditures, operating expenditures and open commitments by accessing Banner Self Service, FRIGITD (INB), or Cognos reports. Salaries may be reviewed through Cognos reports. Grant cost transfers or reallocations for items paid by operating accounts or other funds need to be recorded prior to fiscal year end. If you have any questions or need further information, please do not hesitate to contact the Grant and Contracts at 7-3337.

Salary Adjustments and Cost Transfers

Departments should begin reviewing their budget statement reports, including payroll expenditures, operating expenditures and open commitments by accessing Banner Self Service or by reviewing their monthly email disbursed [GrantBudgetStatementByPI](#) and [GrantTransHistoryByPI](#) reports. Review of detail payroll information is available through the Cognos Labor reporter email disbursed [MonthlyPayrollTransSummaryByPI](#) and [MonthlyPayrollTransDetailByPI](#) reports. Access request forms are located on the Controller's Main page http://www.iit.edu/policy_procedures/forms-page.shtml.

All payroll reallocations or transfers prior to May 2016 are due to the Controller's Office no later than 12 pm on May 27th. Final payroll reallocations or transfers are due to the Controller's Office no later than 12 pm on June 6th. Please send grant reallocations or transfer requests to the Grant Accountant assigned to your department.

Please remember that Students and Temporary employee PA forms are required for the new fiscal year. Please try to send PAs that will cover the student's pay through the end of the fiscal year 2016 (May 31, 2016) if applicable.

Non-salary cost transfers are due to the Controller's Office by 5 pm on June 20th. All grant cost transfers must follow Cost Transfer policy located on the Controller's Office website at http://www.iit.edu/policy_procedures/grant_contract/gca_policy_and_procedures.pdf.

Purchase Orders, Invoices and Procurement Card

Purchases that are not critical to the completion of fiscal year 2016 operations will be delayed until fiscal year 2017. All fiscal year 2016 requisitions/purchase orders received, after April 15, 2016, will be reviewed and approved if the good or service is needed to complete a project or task started before May 1, 2016. All other requests will be delayed until fiscal year 2016. Requisitions deemed to be fiscal year 2017 activity will be deleted from the system. Departments will be required to reenter the requisition in Banner.

Purchases initiated in fiscal year 2016 will be applied to fiscal year 2016 budgets only to the extent that **deliveries of goods and services have** been received by May 31st. Deliveries and services received **after** May 31, 2016 will be charged to fiscal year 2017 budgets. Reminder that all purchase orders will roll forward to fiscal year 2017. If the good has been received or the service rendered and the purchase order has a remaining balance, please contact Purchasing to close the purchase order. Please review all open purchase orders older than one fiscal year to ensure the purchase order is still valid. Please contact Purchasing to close old purchase orders no longer valid from the system.

Year End Memorandum
March 28, 2016

Requisitioning for items to be delivered in fiscal year 2017 can begin June 1, 2016. If an order is necessary prior to that date, contact Purchasing for assistance.

If a requisition/purchase order covers a service that is delivered both in fiscal year 2016 and fiscal year 2017 (for instance a software license) then the entire amount needs to be entirely charged to the appropriate expense account. Purchasing and General Accounting will reallocate the fiscal year 2017 portion to prepaid expense.

Invoices for fiscal year 2016 purchases must be received by Accounts Payable for processing no later than 12 pm on June 11th. If an invoice is not received by June 11th for any goods and/or services provided before May 31st, contact the Accounts Payable department by June 20th to accrue the expenditure to the fiscal year 2016 budget. Invoices for deposits on goods and/or services provided after May 31st, will be applied to fiscal year 2017 budgets.

Reminder that all invoices received before May 31st for goods or services render after May 31st will be placed into a prepaid account in fiscal year 2016 and expensed in fiscal year 2017. A prepaid account enables the university to pay the invoice but not apply the payment to an expense account until the new fiscal year begins.

Procurement card purchases may be made through May 31st, but must only be made for goods and services as allowed under the procurement card policy. Remember that charges made using procurement cards do not encumber funds and, if not tracked closely, can lead to overspent budgets.

Checks received

All checks received in May 2016 are to be deposited upon receipt. Checks postmarked prior to May 31st but received after May 31st must arrive in the Controller's Office by June 10th to be recorded in Fiscal 2016. Checks postmarked after May 31st for items not billed in fiscal year 2016 will be applied in fiscal year 2017.

Important Dates Summary
