

# Circular Economy

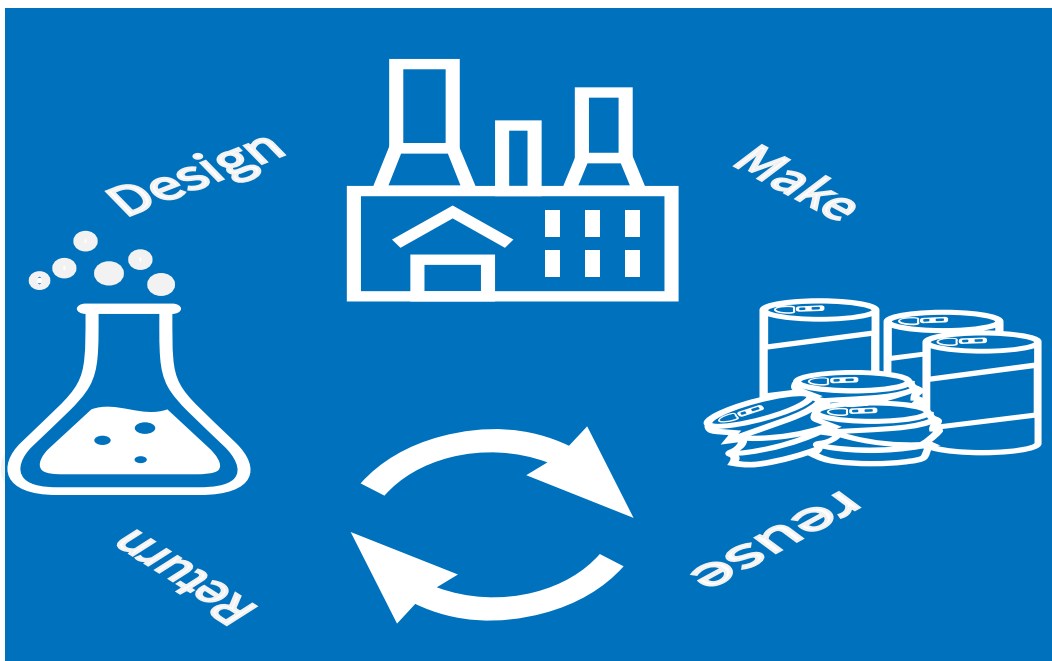

Join us in learning the importance of transitioning the way we do business by effectively re-using materials and re-designing products.

Sept. 9th | 12:30 p.m. | Hermann Hall Ballroom

## Linear Economy vs. Circular Economy

Weslyne Asthon is an Assistant Professor of Environmental Management and Sustainability at the Illinois Institute of Technology Stuart School of Business. Her research focuses on two core areas: Industrial Ecology, Industrial Symbiosis and collaborative approaches to Environmental Management, and Sustainability Strategies for small and medium enterprises (SMEs), and new ventures.
