

Have you ever wondered how would people around you feel if you disclosed your mental illness?

Please Join Psi Chi and Dr. Corrigan on a conversation on

# HONEST OPEN PROUD

---

MONDAY, OCTOBER 24<sup>TH</sup> 2016

12:45PM-1:45PM

LIFE SCIENCES ROOM 106

---

Different forms of stigma toward mental illness are discussed along with methods of reducing stigma including contact and disclosure. We go into detail about the anti-stigma program developed by Dr. Corrigan and the adaptation developed by Maya Al-Khouja.
