

Webinar Watch Party - Build the Perfect Pitch

What does the perfect pitch look and sound like? In this exclusive **in-person-webinar**, we will cover the essentials of pitching to investors, including:

- How to explain the problem in the market?
- How to demonstrate your solution is the most viable?
- Which metrics you need to cover
- What makes your company and approach unique
- How to plan for financial success in the future
- How to best position your team
- How much capital you need to achieve success

Speaker: Alida Miranda-Wolff, Director of Platform, Hyde Park Angels. She is a creative communications professional.
