

How to Bootstrap Your Startup from the Ground Up!

Adarsh is a founder and CEO of Reputada and Lisle Technology Partners. He was a founder and CEO of Athena Security which was acquired by Solar winds (NYSE: SWI) in August 2012. Prior to Athena, Adarsh has created, managed and nurtured multiple successful start-ups (Peritus Software Services and Vista Technologies) to maturity, including an IPO that created a \$500 million market capitalization. Currently Adarsh is also the Coleman Entrepreneur-in-Residence at Illinois Tech. Adarsh will share his experiences in financing five start-ups where the financing ranged from government labs to advance payments from potential customers.
