

Sign up for the STEM Graduate Student Virtual Career Fair

Tuesday, January 23, 2018
1:00 p.m. - 4:00 p.m. EST

Illinois Institute of Technology's Career Services invites you to attend the STEM Graduate Student Virtual Career Fair.

Join graduate students from 8 other STEM-based universities and connect with more than 45 of the most sought-after organizations from across the country at an on-line, virtual career fair.

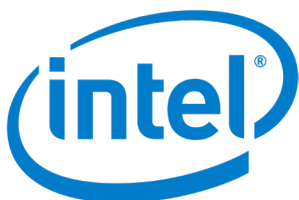

The best part? You can do it from the comfort of your own room! No suits, no bad weather, no uncomfortable shoes! Just you and your future.

Point your favorite browser [here](#) to register.

Just a small sample of organizations planning to attend:

BLACK & VEATCH

...and many more added every day!
