ILLINOIS INSTITUTE OF TECHNOLOGY

THE ARC.

Mission

The Academic Resource Center's mission is to enrich the academic experience through a student-centered approach to education. By integrating a variety of resources, the ARC strives to support students and faculty at all stages of the learning process. We are committed to fostering intellectual growth and excellent academic achievement among students at Illinois Institute of Technology.

MATH Tutoring

The ARC has scheduled extended tutoring sessions for you available by appointment or walk-in. Remember the location may be limited based on number of seats available. Appointments can be made using tutortrac: http://iit.edu/arc/tutortrac. Instruction on how to log in can be found on the log in page.
