

IIT Student Immunization Compliance Requirements

	TDap/DTap/TD (Tetanus-Diphtheria)	MMR* (Combined Measles/Mumps/Rubella)	TB Skin Test (Tuberculosis)
Domestic	1 (within 10 years)	2	
International	3 (one within 10 years)	2	1 (within one year)

*A blood titer with a positive immunity result to MMR will suffice the MMR requirement.

*Individual Measles, Mumps, and/or Rubella vaccines administered during the appropriate timeframe are also acceptable. |
